Welcome to Cedar Ridge Community Church

Bi-Weekly Flyer: June 9, 2019

Please make yourself at home - coffee and donuts are available in the Commons. On most weeks, the service begins with a few songs, followed by the message and then communion (which consists of juice and gluten-free crackers). On the first Sunday of the month, however, children join us for worship and communion at the beginning of the service, before heading out to their classrooms. During communion, you are invited to respond to God in prayer (alone or with a prayer servant in the back right corner), by lighting a candle, or writing a prayer at one of the side tables. As you feel led, you may also drop a financial gift in the boxes on the sides or in one of the offering towers at the back.

After the service, you are welcome to stay for "Cedar Ridge in 7 Minutes," a brief intro to our community. We would love the opportunity to meet you and give you a small gift. If you would like to find out more about Cedar Ridge, please fill out a Connect Card at the front desk, and we'll follow up with more information. Thanks for taking some time out of your morning to join us - we are glad you are here!

Summer Series Begins June 16: God in the Movies

On Sunday, June 9, we'll have a Community Sunday service to welcome new members and celebrate dedications and baptisms. Then, on Sunday, June 16, we begin our annual summer series, "God in the Movies." During this six-week series, we'll explore how stories can portray our deepest longings, greatest wonder, and most heartfelt angst. Speakers will use clips from a movie to explore underlying themes, and reflect on how this moves them to respond as followers of Jesus. Fresh popcorn will accompany our regular Sunday morning refreshments.

Stay Connected Over the Summer

Sign-up online (or fill out the Connect Card in the Flyer) to receive our emails and download the Cedar Ridge App at www.crcc.org. Visit us on Facebook and Instagram to see what we're up to this summer, and log in (online) to find your friends and keep in touch over the summer months.

Help Prepare Popcorn for "God in The Movies"

This year's "God in the Movies" series will begin on June 16. In keeping with tradition, fresh popcorn will be available each Sunday. Volunteers are needed to assist with preparing popcorn on Sunday mornings at 8:30 AM, before the 10 AM service begins. Please contact sarahb@crcc.org if you are able to help. This is also a great opportunity to invite your friends or family to join you!

Prayer Focus

Summer is here, and for many of us that means a change in routine, and maybe an opportunity to slow down and focus on what's really important. Extra daylight can mean more time with friends and family, and vacations give us the chance to rest and reflect. Let's make prayer a priority this summer, and proactively look for God each day in the world around us. The Cedar Ridge tradition of "God in the Movies" helps us learn to see the divine in arts and entertainment. Volunteering on the farm gives us a chance to balance quiet contemplative time in God's creation with meaningful conversations and purposeful service. Let's express our gratitude for our faith community, pray for the team traveling to Guatemala, and ask God how we can best bring the love of Jesus to the people around us.

For in God we live and move and have our being. (Acts 17:28)

Getting to know our Cedar Ridge Kids

Summer can be a great time to get to know some of our youngest community members. You can partner with other experienced leaders to serve our nursery, preschool, or elementary-aged students in a caring and fun learning environment. We'd love for you to consider checking out Cedar Ridge Kids! Please contact Bryan Peterson to learn more about the possibilities, or stop by our desk in the Commons to sign up to get more information.

Help with Farm Produce Deliveries

Each year, we grow more than 3,000 pounds of fresh produce on the Cedar Ridge Farm. We work in partnership with Manna Food Center to ensure it successfully reaches local families in need. We are looking for friendly volunteers to help take the wonderfully fresh produce to Manna Food distribution centers on Friday afternoons and Saturday mornings, and assist families as they select the food they need. For more information, please contact Tinica Mather (tinicamather@gmail.com).

Sunday Morning Music Team, Opportunities Available

Are you interested in singing or playing a musical instrument as part of the Sunday morning music team? We are looking to expand the team, and would love to talk to you further! Speak with one of the team members after the service, or contact Brian Markley: bmarkley6@gmail.com.
