

# JANUARY

## What we're doing this month:

In January, Cedar Ridge Kids will focus on the values of service and justice in our community and in the world. With help from leaders, we'll discuss why service and justice are important to our faith. Then we will work together to plan and implement a service project led by the kids.

We will also learn about Dr. Martin Luther King Jr. and his pursuit of justice through persistence and peace.

The pre-k kids will choose from a list of options, while the elementary kids will have more responsibility in guiding these projects. If you'd like to join us for any or all of these sessions, we'd love to have you! Just email Briana (briana@crcc.org) to discuss how you can help and be involved!

## Ways to Practice Service as a Family

As we start this new year, we often want to bring big changes to our life. Big goals are important, but can be challenging to achieve all at once – especially for kids. Creating small, but meaningful practices can go a long way in making lasting changes for our children. When it comes to service, below are some ways we can show our kids how to bring about meaningful change through service. Remember to discuss how this is the service Jesus encourages us to seek and how it can grow our faith.

- Making a meal for someone in need or who is homebound.
- Cleaning up a mess you didn't make.
- Shoveling snow or raking leaves for a neighbor.
- Picking up trash while you're at the playground or on a walk.
- Making a gift or card just because to make someone smile.
